To Nick + the troops

On behalf of my Dad (Mr G. Burgess) who attended your Full Monty Day on Sat 24th June, I would like to say a big thankyou. We had a fabulous day (Dad, Mum, Husband, Myself + 2 children). I was a bit worried when I originally booked the day as I didn't know anyone that had attended such a thing, I didn't know if it would be value for money, however you all made it a wonderful experience for us all.

You + your staff were friendly + polite, your exSAS staff where a little scary to begin with but as the day progressed we realised they were just pussy-cats in tigers outfits. All the staff were extremely helpful (I had a baby in a buggy) + everyone went out of their way to make sure we were happy + could get to all the activities. The food at lunchtime was delicious, I was slightly concerned that we would be served 1950's sop in a bowl (kalaka). We enjoyed the whole meal so please forward a huge thankyou + thumbs up to the caterers.
