

Hi,

I just want to express my heart felt thanks for a wonderful time at Tanks A Lot.

My son and I took part in the Full Monty on 27th May 2006 and, despite the weather, we both had a most enjoyable time. Although my son has special needs, he wanted to take part and I really appreciated the effort and kindness that everybody put into the day. It was a day that will never be forgotten.

We really enjoyed every aspect of the event and my son will always remeber being called 'The Evil One' for shooting the target below the waist line (much to the horror of all the men and the cheers of the women).

Anyway, Thanks A Lot - Tanks A Lot.

Paul Yates.
